

# Pillars for Sustainability

## 4<sup>th</sup> Swinburne Sarawak Postgraduate Research Conference 2023

Swinburne University of Technology is pleased to announce that the 4th Swinburne Sarawak Postgraduate Research Conference (SSPRC) 2023 will be held from 3 to 4 Aug 2023. The conference will be held in hybrid mode, where non-Swinburne participants can opt to join virtually or physically in Kuching, Malaysia. More info on the online delivery will be announced by July 2023.

**Please visit the link below for registration:**

### Publication Details

Participants are requested to submit a 2-page extended abstract, which will be compiled into a proceeding with ISBN post conference. Selected work will be invited for submitting the full manuscript to the indexed journals. All invited papers will need to fully comply with the journal guidelines and pass through the normal journal procedure. The publications are subjected to journal peer review.

Process Integration and Optimization for Sustainability (Scopus indexed, Q2)

Global Business and Organizational Excellence (Wiley, Scopus indexed, Q2)

### Fees & Registration:

Participants must complete online registration for conference participation and submission of extended abstract. Refer to the payment guide for more payment details.
