# STEER BUSINESSES TO SUCCESS

Human resources specialists are essential to the running of successful global businesses. They help create a work environment where staff are happy, dedicated and perform to their fullest potential.

Swinburne Sarawak's HRM program offers highly industry relevant units in the areas of employment relations, human resource strategy, leadership and management development. The program covers a spectrum of management activities in key areas you will need to become a successful manager and leader such as managing people, developing and implementing strategic approaches to managing an organisations human resources, motivating and rewarding employees, conflict management, decision-making, ethics and change management.

Learn how you can be at the forefront of change in HRM practices and graduate as a sought-after HR professional.

#### Flexible Timetable

Allows you to balance your study with other commitments
